Hello Steve,

This is Jaime Harrison, founder of Dirt Road PAC.

I want to take this moment to reach out one week before the midterm elections so I can remind you why I started Dirt Road, and how proud I am of the impressive work they've done to lift up Democratic candidates and local parties this midterm cycle.

But first, I have an important ask: [Will you PLEASE pitch in \\$10 or whatever you can spare to Dirt Road PAC right now so they have the critical resources to continue their mission of building the Democratic Party for this final week of the midterms and well into the future?](#)

When I launched my campaign for U.S. Senate against South Carolina's Republican Sen. Lindsey Graham, I knew it would be an uphill battle.

I also knew it was the only way forward if we were ever going to build a competitive Democratic Party in South Carolina and in many other states that Republican politicians have taken for granted for far too long.

We helped plant the seeds across the South and saw the fruits of our labor when Georgia flipped blue for President Joe Biden.

Dirt Road PAC got to work in helping elect Sen. Jon Ossoff and Sen. Rev. Raphael Warnock in the Georgia runoffs two months later.

Since then, they've supported other strong Democrats running to protect our 50-50 Senate majority, defend the House, and compete in state after state by supporting candidates for governor and local Democratic state parties.

So with just one week until these historically close midterm elections, I'm asking, Steve: [Will you contribute \\$10 or any amount you can spare to Dirt Road PAC today to help us win the midterms and continue to build the Democratic Party for years to come?](#)

Thanks for adding your grassroots support — I'm so proud of how far we've come together.

All the best,

Jaime Harrison
