Greetings:

Several events and meetings took place in the district. I enjoy getting about the community and meeting my constituents. Please do not hesitate to contact my office if you need any assistance.

Legislation introduced and voted into law is now in place throughout all of North Carolina.

Joyce Waddell

Clean Energy Executive Order

The Governor Signed an Executive Order to Grow North Carolina’s Clean Energy Economy by Supporting the Market-Driven Transition to Zero-Emission Trucks and Buses.

Order will accelerate economic development and job creation in the quickly growing zero-emission vehicle sector, expand access to cleaner and more affordable vehicles and advance the state’s climate and environmental justice goals.

Clean energy should be on all of our radars. We have polluted our environment for far too long and need to be intentional about cleaning it up. By taking these steps and hopefully additional steps will provide our children’s children a cleaner and safer world in which to live. I was proud to have been with the Governor in Charlotte when two EV stations opened on Beatties Ford Road.

CMAE Endorsement

Senator Waddell receives a campaign endorsement from the Charlotte Mecklenburg Association of Educators.

ACC Headquarters

The Atlantic Coast Conference office is moving to Charlotte, preserving the league's North Carolina roots but departing the city of its origin. The ACC commissioner informed Greensboro Mayor of the decision Tuesday morning.

North Carolina legislators have budgeted \$15 million for the ACC if the league remains in the state for 15 additional years and, by 2034, stages a set number of conference championships in North Carolina. That requirement includes at least four men's basketball tournaments, two in Greensboro, four women's basketball tournaments, four baseball tournaments and 20 other championship events.

Democrat "I Will Vote" Tour

Senator Waddell and others from the community and the Mecklenburg Delegation participate in a Democrat voting tour. Jaime Harrison, chairman of the Democratic party was among the attendees of the tour.

Senator Waddell is working tirelessly for Senate District 40, but she cannot do this alone. Many of her precincts have changed which makes the election much more competitive. In November she will have an opponent running against her. Can she count on your help to continue working for the district?
