**ON NOVEMBER 8TH
DEMOCRACY IS ON THE BALLOT**

RECLAIM YOUR VOTE

Vote on November 8!

We are 4 days away from election day.

The midterm elections will change your daily life.

You turned out in record numbers in 2020, even in the midst of a pandemic and even after they closed voting sites, purged voter rolls, and tried to hide mail-in

ballots.

Vote early or get out to the polls on November 8.

This time, we're coming to reclaim our future, reclaim our voice, reclaim our democracy.

ULCC IN THE COMMUNITY

Outreach Specialist, April C. Turner, and League Advocacy Manager, Shamar Farley, attended the Microsoft Nonprofit Give Fair & Carnival last month.

ULCC was one of the select nonprofits invited to attend the event for Microsoft employees and their families as a part of the company's October Give Month.

ULCC shared with 500+ attendees' information about our programs, pillars, history and future.

Several team members from ULCC joined affiliates across the country at National Urban League's Whitney M. Young, Jr. Leadership Development Conference in New York City.

Team member Candace Tiggett (picture in yellow) attended a track on upskilling. Additional tracks attended included education and health equity.

ULCC believes in the power of shared community and professional growth and development.
