We are \$1,379 away from our new \$15K goal!

5 Days of Giving

Featuring Divine Barrel Brewing

Come join us this evening for a casual happy hour to celebrate and learn more about our work!

Council is important to our community because we fill gaps in the systems to prevent children from falling through the cracks. Whether we are helping a family navigate a complicated school system for their student with disabilities, advocating for the holistic treatment of a disconnected child, or representing siblings in a complicated custody battle— there is often no alternative for our child-clients to receive the unique services we provide.

Charlotte's children are Charlotte's future, and if we invest in them now we can help them achieve amazing things for themselves and improve their trajectory for generations to come. Please consider a donation today to invest in our community's children:
