Steve —

Moments ago, President Biden signed the *Respect for Marriage Act* into law.

For the first time in American history, we have a federal law on the books recognizing the institution of marriage for same-sex and interracial couples.

After the Supreme Court's misguided decision to overturn *Roe v. Wade* this summer, Justice Clarence Thomas strongly suggested that the Court's same-sex marriage decision in *Obergefell v. Hodges* could be next.

Then, Republican Senator Mike Braun of Indiana made the outrageous suggestion that the 1967 decision in *Loving v. Virginia* could be overturned as well.

Our Democratic House and Senate majorities have taken strong action to protect the institution of marriage, no matter who you love.

[Add your name as an honorary citizen cosponsor of the \*Respect for Marriage Act\* to show that you stand with President Biden and Congressional Democrats in affirming marriage equality for same-sex and interracial marriages. No one's marriage should ever come under threat of an unelected Supreme Court's decision.](#)
