MEET STEPHANIE

Behind every Goodwill success story is a courageous person ready to change the trajectory of their life.

Through Goodwill's [career training courses](#) – which are offered free of charge thanks to the community's donations and purchases – participants like Stephanie have the opportunity to develop the knowledge, skills and confidence they need to launch a new career and pursue the life they want to achieve.

In fact, the coaching and skills Stephanie received at Goodwill helped her start her career at Wells Fargo as a Mainframe Engineer. She's now able to better provide for her children and spend more quality time with her family. Watch her inspiring story below!
