Hi there,

We're building a world class institution on the South Side of Chicago—and you're an important part of it.

[This holiday season, we're asking you to donate to help us build the Obama Presidential Center on the South Side of Chicago. Your support will give hope a new home base.](#)

So far, we've made significant progress on the construction of the Obama Presidential Center, announced beautiful spaces that will be named in honor of some of the trailblazers and leaders who came before us, and introduced a slate of art pieces that will be featured across the campus.

When it's complete, visitors from across the street or from around the globe will be able to dive deeper into President and Mrs. Obamas' journeys, learn and connect with others on the ideals that are essential to our democracy, and discover new ways to make an impact wherever they are.

We're encouraged by the progress we've made in 2022 and are hopeful for what we can accomplish together in the new year.

If you donate by Saturday, December 31 before the clock strikes midnight central time, your tax-deductible donation will not only be matched dollar for dollar up to \$1 million, but it will also get us closer to opening the doors of the Obama Presidential Center.

Let's bring hope home.

—The Obama Foundation

Donate to bring the Obama Presidential Center to life.
