Hi Steve, it's Jaime Harrison, [reaching out to ask if you can support the mission of Dirt Road PAC?](#)

Let me tell you, there are no shortcuts to building the Democratic Party across the South — or the rest of the country.

And we have a golden opportunity to build on our success in 2023.

We're going to help re-elect Democratic Gov. Andy Beshear in Kentucky.

We're going to support the Louisiana Democratic Party's mission of keeping the governor's seat blue after two terms by Democratic Gov. John Bel Edwards.

We're going to help build the Mississippi Democratic Party ahead of their statewide elections and support Democratic candidates and groups working at every level of government.

So with less than 48 hours until their year-end fundraising deadline, Dirt Road PAC is counting on grassroots supporters like you to power their mission in the New Year.
