Steve —

Clay Middleton here, senior advisor for Dirt Road PAC.

[I'm personally asking if you can make a \\$10 contribution before our year-end fundraising deadline expires at midnight. Can you contribute?](#)

Dirt Road PAC got our start when my good friend and our founder Jaime Harrison set out to build a lasting infrastructure to organize and advocate for the communities where there are dirt roads, crumbling schools, and shuttered hospitals.

In the short time we've been around, we've already made an impact — from supporting Rev. Warnock's first runoff Senate victory to his last, and helping to win, defend, and expand the Democratic majority.

But we've got so much work left to do, and Steve, you are a crucial part of it.

That's what makes your support ahead of this year's final fundraising deadline so important, which is why I'm asking:

[Steve, contribute \\$10 or any amount you can spare to Dirt Road PAC ahead of our final 2022 fundraising deadline and help us start the New Year with the momentum to make real, lasting change in 2023:](#)
