

Joe Biden builds bridges

Steve, while House Republicans squabbled amongst themselves this week — failing at the most *basic* task of electing a Speaker — Joe Biden was building bridges.

Flanked by senators and governors of both parties, President Biden stood at the Brent Spence Bridge spanning the Ohio River from Covington, Kentucky to Cincinnati, Ohio to celebrate a billion-dollar investment thanks to the bipartisan *Infrastructure Investment and Jobs Act*.

Steve, **this** is why we elect Democrats.

Because while the former guy loved to talk about creating a *big, beautiful infrastructure*, **President Biden and our Democratic majorities in Congress got the job done** — working across the aisle with Mitch McConnell and Republicans to pass the largest infrastructure investment in our country in half a century.

Making sure Democrats like Kentucky Gov. Andy Beshear and Ohio Sen. Sherrod Brown can continue to serve is paramount to continuing our progress. With Kentucky's gubernatorial election *this year*, Gov. Beshear is counting on the support of grassroots Democrats like you to win reelection.

So we're asking:

[Will you please split an urgent \\$10 contribution between Andy Beshear's campaign for governor of Kentucky and Dirt Road PAC so we can continue to build on our progress and keep Kentucky blue in November?](#)

If you've saved your payment information with ActBlue Express, your split donation to Andy Beshear and Dirt Road PAC will go through immediately:
