Steve —

Ohio's Democratic Senator Sherrod Brown helped make President Biden's celebration of the bipartisan infrastructure law this week possible.

Sen. Brown's victory in a tough 2018 race paved the way for our Democratic Senate majority, and now, he's facing re-election on the toughest Senate map we've faced in years.

Sherrod Brown has proven time and again that he can win tough races. He is Ohio's *only* statewide elected Democratic senator — and he's counting on our support to win another tough race in 2024.

[Steve, split a \\$10 contribution between Sen. Sherrod Brown's campaign in Ohio and Dirt Road PAC, so we can continue to deliver more wins for the American people like the bipartisan infrastructure law.](#)
