Steve, let me introduce myself:

My name is Jennifer McClellan and I'm running to represent Virginia's Fourth District in a special election that is just 41 days away.

[Virginians deserve a results-driven leader in Congress, and I'm ready to continue this fight in Washington. I'll explain more in a moment but first, can I count on you to chip in \\$10 between my campaign and Dirt Road PAC? >>](#)

I believe in the power of government to make people's lives better — and I've spent the past 17 years as a public servant helping Virginians and solving problems, from passing the Voting Rights Act of Virginia to the Reproductive Health Protection Act.

But my work doesn't stop here, Steve — because there are still more people to help and problems to solve.

My team has a plan to win. We're distributing yard signs, airing new ads, and meeting voters all over the district — but Steve, our critical voter outreach efforts are expensive.

[We need to raise \\$3,726 to hit today's fundraising target, and I'd be really grateful if you could split a \\$10 donation between our special election campaign and Dirt Road PAC. We're counting on grassroots support to get us across the finish line, and that starts with you. >>](#)
