Long Island's newest congressperson has a problem, Steve:

George Santos just can't stop lying.

Lying about his education. His employers. Charity work. Criminal history. Assets. His ethnicity. His faith.

It's a disgrace.

His own local party, the Nassau County GOP, just said:

"He's not welcome here. He's disgraced the House of Representatives and we do not consider him one of our congresspeople." —Nassau County GOP chair

But Santos has remained defiant. He's refusing to resign, despite bipartisan calls for him to do so.

Not only that — infuriatingly, during the shambolic Republican vote for House Speaker, *Santos flashed a white supremacist hand gesture on the House floor.*

[George Santos lied his way to Congress, and it's time for him to go — add your name to our petition calling for Santos' IMMEDIATE resignation from the House of Representatives.](#)

TELL SANTOS: RESIGN

Just like our founder Jaime Harrison, we'll never back down to Republicans spreading fear, hatred, and lies.

Thanks for adding your voice to stand with us today.
