Steve, I had to personally reach out to ask for your urgent support ahead of tomorrow's midnight fundraising deadline. Here's why:

- Republicans only need to win two more seats to retake Senate control, and Nate Silver's *FiveThirtyEight* is reporting that they have a clear path to do just that.
- Here in New York, Republicans just had their best election cycle in *two decades* — winning enough seats to deliver the House majority to the GOP. Now, they're targeting my seat as a key pickup opportunity to flip the Senate next.
- **My team just let me know that we're on track to fall short of tonight's \$25,000 fundraising goal, and missing a critical goal like this would signal to Mitch McConnell and the GOP that this seat is vulnerable.**

I know we can turn this around, but only if grassroots supporters like you step up right away. Please, Steve, time is quickly running out: [Will you split \\$10 between my campaign and Dirt Road PAC to help me defeat the GOP in New York, protect our Democratic Senate majority and continue fighting for the issues you care about most?](#)

If you've saved your payment information with ActBlue Express, your split donation to Kirsten Gillibrand and Dirt Road PAC will go through immediately.
