Hello Sarah,

### Congresswoman Alma Adams Statement on President Biden's State of the Union Address

**WASHINGTON, D.C.** (Feb. 7, 2023) - **Congresswoman Alma Adams (NC-12)** released the following statement on President Joe Biden's State of the Union Address to a joint session of Congress:

"While we still have a way to go to recover from the pandemic, President Biden's State of the Union Address will clear how much progress we've made over the past two years. I will continue to work with President Biden to build an economy that works for everyone, I will work with Republicans who want to help move our country forward, and I will join House Democrats in defending our progress. Let's finish the job!"

"Lastly, I agree with President Biden that we will always vote to protect your Social Security, Medicare, and Medicaid."
