Steve, it's Chris Jones.

I'm proud to say I ran against Sarah Huckabee Sanders — and defied history to do it.

Now, I'm proud to make one more stand against her and her divisive, anti-American rhetoric.

Sarah spent two years lying from the White House podium to cover for Donald Trump.

Last night, the Republican Party chose her to respond to President Biden's State of the Union Address — *and she lied to the American people, just like she did back then.*

Not a thing's changed Steve: Sarah's more focused on spreading fear and hate than fighting for the people of Arkansas.

[So now, I'm asking for your help again: Can you rush \\$10 before midnight to Dirt Road PAC and our campaign to help elect Democrats nationwide who will defend our democracy, preserve the truth, and defeat MAGA Republicans like Sarah Huckabee Sanders once and for all?](#)

Here's what Sarah Huckabee Sanders and Republicans are trying to hide from you, Steve:

Democrats are lowering healthcare costs. ***Not attacking Medicare.***

Democrats are working to improve your kids' schools. ***Not banning books.***

Democrats are expanding reproductive rights. ***Not jailing women and doctors.***

Democrats are fighting for a better future where we bring people together — not divide them.

[So before midnight tonight, will you split a gift between myself and Jaime Harrison's Dirt Road PAC to elect Democrats up and down the ballot across the country? Each dollar will go towards electing Democrats who are committed to making a better and brighter tomorrow. >>](#)
