Hi Steve — Senator Tammy Baldwin here! [In a moment, I'm going to ask you to split a donation between my campaign for Senate in 2024 and Dirt Road PAC.](#) But first, I hope you will give me a chance to explain the stakes of this race, and why your support is so important, especially right now.

Wisconsin's last elections have been decided by the slimmest of margins.

As you may remember, our state gave Donald Trump the final electoral votes he needed to secure the presidency in 2016. He won by less than *one point*. Then in 2020, President Biden won our state by just 0.6%. And last November, Republican Senator Ron Johnson won by just 1%.

So it comes as no surprise that political pundits and pollsters are forecasting that our Senate race in 2024 will be one of the most competitive in the nation. **In fact, *The Hill* has already named me one of the most vulnerable Senate incumbents in 2024.**

So as Mitch McConnell and Senate Republicans begin plotting their path to flip the Senate majority, rest assured that my seat will be one of their top targets. And with the White House also on the ballot, you can bet dollars to doughnuts that the GOP and their mega-donors will spend whatever it takes to try and flip our state red.

We've got a tough fight ahead of us, and it will take a lot of time and resources to build the campaign we'll need to win. I know this house has what it takes to beat right-wing mega-donors at their own game (*we've done it before!*) but it's going to take all of us working together, which is why I'm asking:

[Can you split a donation of \\$10 or more between my campaign and Dirt Road PAC? A contribution now pays off big-time for the coming months as we move full steam ahead toward Election Day 2024.](#)

*If you've saved your payment information with ActBlue Express, your split donation to Tammy Baldwin and Dirt Road PAC will go through immediately:*

**EXPRESS DONATE \$10**

**EXPRESS DONATE \$25**

**EXPRESS DONATE \$50**

**EXPRESS DONATE \$100**

**EXPRESS DONATE \$250**

**ANOTHER AMOUNT**

Thank you so much for your continued support. I know it's early to be thinking about 2024, but in a race as competitive as this one will be, early investments will make all the difference.

— Tammy
