Learn about phonics and more on Home Reading Helper

To become skilled readers, children must have a strong base in phonics, or an understanding of the sounds of printed letters and words. Watch this [Home Reading Helper video](#) to learn more.

Visit [HomeReadingHelper.org](#) for more videos, activities, and games focused on phonics, as well as other specific reading skills, all sortable by grade level!

Registration open for next year of free Pre-K program

Pre-K can help children be ready to learn to read when they start kindergarten, and Mecklenburg County has a free program open to all age-eligible children living in the county.

If your child lives in Mecklenburg County and will be 4 years old by August 31, they are eligible for MECK Pre-K. Registration is now open for the program's 2023-2024 school year.

Visit their [FAQ page](#) for more information, and the [enrollment page](#) to apply!

Reading Hero: Kaylee Whitelaw

An innovator, an expert in all things literacy, the glue that holds the school together: These are just a few of the ways colleagues describe Kaylee Whitelaw, our latest Reading Hero.

[Click here](#) to read more about what the team at Charlotte Lab School had to say about Whitelaw, and to see a video of them celebrating her hard work!
