## **LEARN-PRACTICE-IMPROVE Your EI!**

Business to Business and  
Business to Administration (Government) relationships require  
commitment and a high degree of professionalism.

The ability for business owners to manage their emotions from  
the bid process through the delivery of products and services,  
greatly influences business relationships and sustainability.

Learn the 3 principles for using EI to build successful B2B and  
B2A relationships.
