New and Noteworthy!

Unite Neighborhoods: West Blvd. Corridor

We are excited to announce that we are a 2023 United Way of Greater Charlotte's Unite Neighborhoods grantee. This opportunity will allow us to continue to support our work in the West Blvd. Corridor. The exciting and humbling part of this grant support was that it was a resident led process. We are humbled to garner the respect and partnership of those we serve, where we serve, to be chosen as a funded partner in the West Blvd. communities. Our first programs will start in March. See below and our website for more details.

Unite Charlotte Second Year Grant Cohort

Money Magnets Club will continue receiving capacity building support from the United Way of Greater Charlotte's Unite Charlotte program as a second year grantee, for which we are grateful! This opportunity will allow us to further establish our organizational infrastructure, expand our effectiveness, and continue to scale our core programming. We are very excited to be continuing our equity focus with this grant support.

SEED20 Cohort

Our Co-Founder, Alexandra Arrington has been selected to represent Money Magnets Club in the 2023 SEED20 Big Pitch Event. The SEED20 (Social Entrepreneurs Empowered) program connects nonprofit innovators with creative approaches to social challenges to an audience and resources to create impactful change. Read more about SEED20, Alexandra's journey, and make a matched donation and/or [get tickets to the big pitch event on April 27th at this link HERE.](#)

Partnership Updates

We're gearing up for our program season and we can't wait to see familiar faces and meet new ones! This year we'll be back at the Ophelia Garmon Brown Community Center in the Freedom Drive Corridor as well as the West Boulevard Library offering our traditional program series, as well as participating in a couple of other community engagement events. Learn how you can get involved this year below.

New Partnerships!

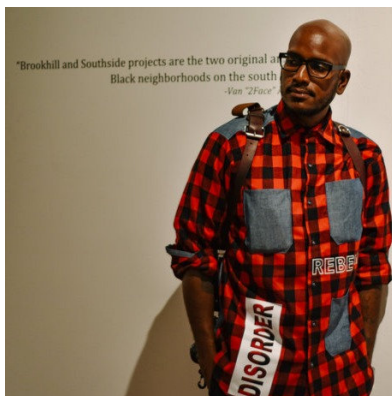

Greater Enrichment Program is our Freedom Drive corridor partner where we now offer a series of programs to the elementary students attending Movement Charter school. This winter, we've had some amazing guest entrepreneurs come speak with our kidpreneurs about music, retail product development, and learning yourself as a core component of business.

Money Magnets Club is partnering with Center 360 to offer programming in the West Blvd. corridor after school, serving local schools in the vicinity. We will meet on the following Wednesdays from 4:30-5:30p on March 15th, March 29th and April 5th. RSVP links will be posted via [Charlotte Mecklenburg Library's Bibliocommons event site](#) [HERE](#).

Upcoming Programs

This week, we'll welcome image activist Alvin C. Jacobs, Jr. to our GEP/Freedom Drive site where we'll learn about his journey to making his perspective his work. We'll do a photo walk to see what we can see!

We're excited to welcome back Ms. Ieesha Griffin to share her jewelry making business journey. Participants will be able to make their own item to wear and take home. RSVP so we can have the correct amount of materials.

The work of the Money Magnets Club is made possible by the support and generosity of our community's grant-giving entities, individuals, volunteers, guest entrepreneurs, and partners. We appreciate every donation, like, follow, and share.

Please consider sharing our newsletter with your network and donating to expand our programming capacity. \$25 can support the BIG IDEAS of one our kidpreneurs-in-training, \$250 can cover the basic costs of one of our program sessions that we offer to the community for free, and \$2,500 covers an entire series of Money Magnets Club programs at one site!

Donations may have some tax benefits, as we are recognized as tax exempt under IRS code 501(c)(3), and a tax professional can help you explore those options.
