## NC Senate District 41 Newsletter

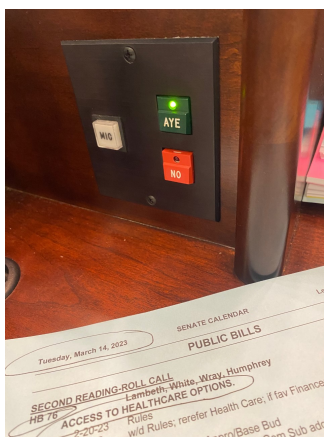

March 17, 2023

### Save the Date: Town Hall in Huntersville on March 23

Join me for my second town hall of the year on **Thursday, March 23rd at 6PM**. This will be an in-person event at North County Regional Library (16500 Holly Crest Lane, Huntersville) with an option to join virtually as well. You can sign up at [this link](http://bit.ly/marcusmarchtownhall). I'll provide updates about my legislative priorities for the biennium, my committee work, bills moving through the NCGA, and what issues are being debated in Raleigh.

### Updates on Noteworthy Votes

**Key bills on which I voted YES:**

- **HB76, Access to Healthcare Options.** An act to **expand Medicaid in North Carolina.** I've been advocating for this important step for a very long time and was proud and grateful to finally bipartisan support for this vitally important piece of legislation. It will save lives, save rural hospitals, boost our economy, avoid medical bankruptcies and more.
- **HJR175, Confirm Ed Wilson/Special Superior Court Judge\*.** Approve confirmation of Ed Wilson as Special Superior Court Judge per Governor's Cooper's recommendation.
- **SB58, Protect Critical Infrastructure\*.** Increases punishment for attacks committed against utilities. This bill was passed in response to the attack on Moore County's critical infrastructure.
- **SB156, Medicaid Children & Families Specialty Plan.** Ensures that children in foster care maintain Medicaid-covered health services if they are moved to another county. I am proud to be a **co-sponsor** on this important bill.
- **SB189, Fentanyl Drug Offenses and Related Changes\*.** Increases the fine amounts related to trafficking heroin, fentanyl and other dangerous street drugs, provides for new offenses related to deaths caused by the distribution of certain controlled substances, and establishes the Task Force on Enforcement of Fentanyl and Heroin Drug Violations.
- **SJR54, Confirm Katherine Bosken, Commissioner of Banks\*.** I was happy to vote yes on confirming Katherine Bosken as the Commissioner of Banks and appreciated her taking the time to explain why she is confident about the safety and security of North Carolina's banks, which are structured very differently than the banks that failed in other states earlier this week.

**Key bills on which I voted NO:**

- **HB40, Prevent Rioting and Civil Disorder.** Increases penalties for current offenses and creates new offenses related to civil disorder that occurs in conjunction with protests. This bill is unnecessary since rioting and property damage is already a crime. I oppose it because it casts an unconstitutional, wide net that will punish non-violent protestors and will have a chilling effect on North Carolinians first amendment rights to peacefully protest. I introduced **an amendment** on this bill to align it with the First Amendment freedom of speech **protections**, but Republicans voted down the amendment. You can read more about the bill **here** and watch the floor debate too (my remarks start at around -26:30 of the video). The bill passed both chambers and, although the Governor Cooper vetoed the bill in 2021, he declined to veto it this year. You can read about that **here**.
- **HB88, Omnibus Local Elections.** Changes the way vacancies on the Guilford County Board of Education will be filled. It arose out of a push by the local GOP executive committee to appoint a controversial nominee for a vacant seat and the Board's refusal to seat him. You can read more about the bill **here**. The bill also makes the following counties change their Board of Education races from non-partisan to partisan: Ashe, Cabarrus, Henderson McDowell, and Mitchell. I received many emails opposing the politicization of school boards.
- **SB157, Limited Provisional License Modification.** Permanently reduces the time a limited learner's permit must be held before obtaining a provisional license from one year to nine months. While I agree that we need to do more to assist young drivers who are still facing serious backlogs due to the pandemic, I do not agree with this total overhaul of the learner's permit process. I fear it will make our roads more dangerous and cause injury and teen driver collisions.

\*Passed Senate unanimously

**Introduced & Co-Sponsored Bills**

These are the bills I have introduced and co-sponsored in the past 2 weeks. You can find a full list of the bills I have supported [here](#). All local bills (for North Meck towns and CMS) were filed per their respective requests.

#### Introduced bills:

- **[SB210, Gun Violence Prevention Act](#)**. A comprehensive omnibus gun safety bill, whose highlights include universal background checks, mandating safe storage, banning bump stocks, and prohibiting semiautomatic weapons for those under 21. You can read more about the bill [here](#) and [here](#).
- **[SB227, Funds for Davidson Pedestrian Safety](#)**\*. Appropriates \$600,000 to improve pedestrian safety in the Town of Davidson. You can read WSOC-TV's coverage of this bipartisan bill [here](#).
- **[SB229, School Calendar Flexibility/CMS](#)**. Provides flexibility to the Charlotte-Mecklenburg Board of Education in adopting the school calendar.
- **[SB231, NC Adopt ERA](#)**. Ratifies the Equal Rights Amendment to the US Constitution to enshrine equal rights for women. I am proud that this important bill is co-sponsored by every House and Senate Democrat. Unfortunately, no bipartisan support.
- **[SB241, Design Element Exemption-Historic Downtown Davidson](#)**. Allows certain design and aesthetic controls for structures located along Highway 115 in the historic downtown of Davidson.
- **[SB242, Davidson/Demolition of Historic Structures](#)**. Authorizes Davidson to adopt ordinances regulating the demolition of historic structures.
- **[SB243, Town of Davidson-Expedited Review](#)**. Clarifies that the Davidson is not required to provide expedited review of certain subdivision approvals.
- **[SB264, Davidson Historic District Subdivision Exemption](#)**. Exempts designated historic districts from certain restrictions on zoning in Davidson.
- **[SB270, Funds for Cornelius Infrastructure Projects](#)**.\* Appropriates \$1 million to the Town of Cornelius for infrastructure improvements in Smithville.
- **[SB271, Funds for Cornelius History Museum](#)**.\* Appropriates \$3 million to acquire and restore the historic Cornelius High School agriculture building to serve as a history museum in Cornelius.
- **[SB272, Funds for Smithville CommUNITY Coalition](#)**.\* Appropriates \$3 million for the Smithville CommUNITY Coalition for the protection of the historically African American neighborhood in Cornelius.
- **[SB285, Request Consent/Early Voting/Charlotte-Mecklenburg Schools](#)**. Requires consent from the CMS Superintendent before using certain schools as early one-stop voting sites to ensure student safety.
- **[SB306, Fix Our Democracy](#)**. An omnibus elections and voting rights bill to end gerrymandering, secure fair courts, increase voter accessibility, ensure more transparency in the legislature, and implement campaign finance reforms.
- **[SB328, Improve Pipeline Safety](#)**. A bill filed in response to the Colonial Pipeline leak in Huntersville. It seeks to protect North Carolinians and our environment from aging and poorly maintained pipelines by providing increased authority to DEQ to study and maintain pipelines and directs DEQ to report findings to the Joint Legislative Commission on Energy Policy.

#### Co-sponsored bills:

- **[SB226, Freedom to Vote](#)**. Appropriates funds to the State Board of Elections for election security, **prohibits voter and poll worker intimidation**, improves voting access, expands one-stop early voting, and studies creating a nonpartisan process for redistricting. Read more about the bill [here](#).
- **[SB256, Harmony Requirement Changes - Town of Huntersville](#)**.\* Clarifies the harmony requirement limitation for residential developments that contain affordable housing for the Town of Huntersville. Filed per town request.
- **[SB263, Healthy Students - A Nurse in Every School](#)**.\* Requires at least one school nurse in every school in a public school unit beginning in the 2023-2024 school year.
- **[SB288, Increase Rates/Set Floor/Child Care Subsidy](#)**.\* Increases child care subsidy rates to those in the 2021 market rate study, with automatic increases upon completion of subsequent new studies.
- **[SB294, Reduce Maternal Morbidity/Mortality/Medicaid](#)**\*. Implements rate increases for obstetrics maternal bundle payments for pregnancy care.
- **[SB295, Student Tax Reduction \(STAR\) Act](#)**\*. Eliminates the tax burden on student debt relief.
- **[SB320, Honoring NC's Contribution to Civil Rights](#)**. Authorizes the African American Heritage Commission to study the feasibility of establishing monuments commemorating events and persons related to the Civil Rights Movement in the state and appropriates funds to place markers at sites along NC's Civil Rights Trail.
- **[SB330, Protect Judges' Personal Information](#)**.\* Protects the personal information of judges and their immediate family members.

\*Bipartisan support

## Press Conferences at the NCGA

It has been a very busy two weeks in Raleigh. I held numerous press conferences with Senate and House colleagues and advocates to announce bills we filed to address various causes about which I am passionate.

**SENATE BILL 306  
FIX OUR DEMOCRACY**

Comprehensive voting rights and election reform legislation filed by Senator Natasha Marcus

- End gerrymandering
- Secure fair courts
- Increase voter accessibility
- More transparency in the legislature
- Campaign finance reforms

NC Senate District 41

I spoke at the press conference about my Fix Our Democracy bill and other pro-democracy bills this week. You can watch the full press conference [here](#) (my remarks are from 3:05 to 6:55).

I joined gun safety advocates and survivors of gun violence at a moving press conference on my Gun Violence Prevention Act bill and other commonsense gun safety reform bills filed by my colleagues.

We marked International Women's Day with a press conference about the importance of passing the ERA!

## DEQ Public Hearing on Proposed Wastewater Permit

Yesterday I joined Huntersville residents and environmental advocates for **DEQ's public hearing on the proposed wastewater permit for the Colonial Pipeline leak**. I was happy the event was well attended by residents, elected officials and numerous press outlets. As I said at the event, the residents whose lives have been disrupted by this massive leak near their homes deserve to have their questions answered and to know that **water will be safe before its released into the nearby creek**. The Yadkin Riverkeeper and the Southern Environmental Law Center argued that the Yadkin must be strengthened to meet safe standards for benzene per the Clean Water Act and that the effluent should be monitored for PFAS too. This impacts not just Huntersville residents, but everyone downstream too. You can read more about the hearing [here](#).

If you missed the public hearing, it's not too late to submit your comment in writing. **Today is the deadline**. You can submit comments on the record via email to [publiccomments@ncdenr.gov](mailto:publiccomments@ncdenr.gov) or via US mail (as long as its postmarked by today) to:

Wren Thredford, Wastewater Permitting  
Attn: Colonial Pipeline Permit  
NC Division of Water Resources  
617 Mail Service Center  
Raleigh, N.C., 27699-1617

On a related note, I also re-filed **SB328, Improve Pipeline Safety**, yesterday which would ensure that there is more transparency and accountability for our aging hazardous liquid pipelines so that we can avoid allowing something like this to happen again.

## Senator Marcus Wants to Hear Your Thoughts on Legalizing Sports Betting

The General Assembly is expected to **debate and vote on legalizing sports betting this session.**

Senator Marcus has heard from various lobbyists and advocates both for and against this issue, and wants to hear your thoughts. Please complete [this short survey](#) to share your thoughts on legalizing sports betting.

## Appropriations/Base Budget Committee Updates

The [House and Senate Appropriations/Base Budget Committees](#) met for a joint meeting this week to hear a presentation of the Governor's proposed budget. The budget proposal includes an **average 18% teacher raise over the biennium, a \$1 billion plan to support mental health, the largest investment in state employee compensation in 50 years and critical funding for childcare, job training, and economic development.** This is a responsible, balanced budget that does not raise taxes for North Carolinians while maintaining almost \$7 billion in reserves in case of a potential downturn. You can read the full budget proposal [here](#).

Budget negotiations will begin in full in the coming weeks and months. Republicans in the NC House have not presented their budget yet. Keep an eye on my social media and future newsletters for budget updates.

## Judiciary Committee Updates

The following bills were discussed in the [Senate Judiciary Committee](#) over the past 2 weeks:

- [HJR175, Confirm Ed Wilson/Special Superior Court Judge](#). See details in "updates on noteworthy votes" section.
- [HB40, Prevent Rioting and Civil Disorder](#). See details in "updates on noteworthy votes" section.
- [SB58, Protect Critical Infrastructure](#). See details in "updates on noteworthy votes" section.
- [SB189, Fentanyl Drug Offenses and Related Changes](#). See details in "updates on noteworthy votes" section.

## Education Committee Updates

The following noteworthy bills were discussed in the [Senate Education Committee](#) over the past 2 weeks:

- [HB11](#), **Schools for the Deaf and Blind**. Would change the governing structure of the Eastern NC School for the Deaf, the NC School for the Deaf, and the Governor Morehead School for the Blind to be by separate Boards of Trustees and would remove the Governor's appointment powers. I do not support this bill because it is unconstitutional violation of the separation of powers.
- [SB90](#), **Searches of Student's Person**. Standardizes the procedures for searching students' bodies in public schools. The initial version of this bill was egregiously unconstitutional, but the sponsors changed the language during the committee hearing to comply with the 4th Amendment protections against unreasonable search and seizure.
- [SB187](#), **Teacher Licensure/Retired Educator Program**. Makes changes to teacher licensure requirements and expands the program to allow retired educators to return to work in high-need schools.
- [SB193](#), **Career Development Plans**. Provides for career development plans for all middle and high school students. I am proud to be a **co-sponsor** of this bill.
- [SB239](#), **Reduce Barriers to State Employment**. Reduces barriers to state employment by directing the State Human Resources Commission to regularly assess education, experiential, and training requirements for state jobs.

We expect all of these bills to make their way through Senate committees and to the floor for a vote soon. So if you have feedback about them, let me know.

## Commerce and Insurance Committee Updates

The following bills were discussed in the [Senate Commerce and Insurance Committee](#) over the past 2 weeks:

- [SB157](#), **Limited Provisional License Modification**. See details in "updates on noteworthy votes" section.
- [SJR54](#), **Conform Katherine Bosken, Commissioner of Banks**. See details in "updates on noteworthy votes" section.

## Celebrating Women's History Month

Spectrum News recently released a fun **bipartisan video series on female legislators** in honor of Women's History Month. I was honored to be part of the video and to welcome the news team to District 41. We discussed the why we need more women in leadership and other topics. Watch the full video [here](#).

## Ocular Melanoma Research

Staff from the [NC Collaboratory](#) recently contacted my office to provide an update on the **gene therapy related ocular melanoma research project**. The project is just now entering the second half of its first year and will continue to receive guaranteed funding through June 2024.

By the end of the research project the team hopes to have generated a “playbook” for the development of AAV-based **drugs for the treatment of uveal melanoma**. Further research would include experiments to develop an arsenal of AAV-based vectors that target additional genetic defects in uveal melanoma, such as tumor suppressor mutations and regulatory RNA molecules. **If you'd like more information about this research, let us know and I can share the full update.**

### Senator Marcus in the Community & Meetings in Raleigh

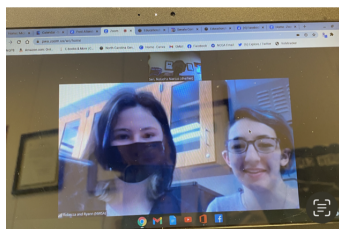

The Joint Legislative Women's Caucus met for the first time this biennium at the NC Museum of Science. I was there, but missed the photo. It's good for female legislators to meet in a bipartisan environment. We discussed a bill to require 3D mammograms to be covered by insurance.

The Mecklenburg Delegation visited Central Piedmont Community College to discuss the school's legislative priorities for the 2023 Legislative Session with Dr. Deitemeyer and members of the Board of Trustees.

I met with members of the Chapel of Christ the King Church for the Episcopal Diocese of NC for their advocacy day. We discussed affordable housing initiatives, climate change action, and gun violence prevention.

I had a Zoom meeting with two Northwest School of the Arts students because they wanted to present their AP course project advocating for laws to protect the right of same-sex couples to marry and adopt children, per *Obergefell v. Hodges*, in a post-*Dobbs* environment.

Earlier this week Governor Cooper announced a violence prevention initiative in conjunction with the Attorney General's office. I was happy to attend the announcement at the Governor's Mansion, along with many violence prevention advocates, including some from Mecklenburg County. Read more [here](#).

[FIRST North Carolina](#) hosted a legislative reception this week to celebrate their work to advance computer science and STEM across the state. I am looking forward to attending their big competition in Charlotte this Sunday as well!

The Charlotte Regional Business Alliance was in Raleigh this week with several elected officials from the Charlotte region for their Advocacy Reception. Governor Cooper attended the event and spoke about how Charlotte is an important driver in our state's economy.

### Charlotte Observer Interview on Medical Marijuana

I recently spoke with the Charlotte Observer about [SB3](#), the **Compassionate Care Act**, which would legalize medical marijuana in North Carolina. I am proud to be a co-sponsor of this bill, and voted yes when it came to the vote in the Senate. I answered some questions, discussed its pros and cons, and its future as it moves through the House. Read the full article [here](#).

### Charlotte Regional Transportation Planning Organization Seeking Community Feedback

The [Charlotte Regional Transportation Planning Organization](#) (CRTPO) is soliciting **feedback on its 2024-2033 Draft Transportation Improvement Program (TIP), amendments to the 2050 Metropolitan Transportation Plan (MTP), and the air quality conformity determination report** for the MTP & TIP during its 30-day public comment period. The public comment period concludes Friday, April 14.

The draft project lists and maps can be found at [this link](#). Comments should be directed to CRTPO via email at [email@crtpo.org](mailto:email@crtpo.org) or via mail at:

CRTPO  
Charlotte-Mecklenburg Government Center  
600 E. Fourth St., 8<sup>th</sup> floor  
Charlotte, NC 28202

In addition to the 30-day public comment period, CRTPO will offer additional opportunities for public comment at its April 19, May 17, and June 21, 2023 CRTPO Board meetings. These meetings begin at 6 p.m. in Room 267 of the Charlotte-Mecklenburg Government Center.

## Applications Open for the 2023 North Carolina Award

**Nominations are being accepted for the 2023 North Carolina Award, the highest civilian honor bestowed by the state, now through April 30.**

The award recognizes “notable accomplishments by North Carolina citizens” in the fields of **literature, science, fine arts and public service**.

Award nominations may be submitted by anyone. A new, simplified nomination form is [available online here](#).

The 2023 North Carolina Award recipients will be honored at an event later this year. Past award recipients have included some of the country’s most distinguished artists, poets, writers, performers, journalists, scientists and public servants.

Information on the award and the online nomination process are available [here](#). To receive forms by mail or e-mail contact Jennifer Fontes at [Jennifer.fontes@ncdcr.gov](mailto:Jennifer.fontes@ncdcr.gov) or (919) 814-6756.

## Training for Small Businesses on Science and Technology Sector

CONNECTING MILITARY AND BUSINESS

The NC Defense Technology Transition Office (DEFTECH) will partner with First Flight Venture Center, the North Carolina Department of Commerce's Board of Science, Technology & Innovation, and our hosts at four NC Community Colleges, to conduct this educational training.

The purpose of this training is to **educate and inform more small businesses in North Carolina's vastly growing science/technology ecosystem on how to compete and win more Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) awards from federal agencies.** Known as America's Seed Fund™, the SBIR/STTR programs are the single largest search source of early-stage technology development and commercialization funding for small businesses.

Upcoming dates (you can attend virtually or in-person):

- [March 22, Winston-Salem](#)
- [March 23, Boone](#)

## Ada Jenkins Center & Community Link Offering Tax Assistance Services

During Tax Season 2023, the [Ada Jenkins Center](#) will again host two program sites — Davidson and Huntersville — for Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE).

**VITA volunteers will assist neighbors with incomes of \$60,000 or less prepare their taxes for free.** In 2022 they helped 173 households, saving them a total of \$43,250 in tax preparation fees. Appointments are required. Register for the Davidson location [here](#) and the Huntersville location [here](#).

[Community Link](#) is also hosting VITA services in Charlotte. They have [multiple time slots](#) available at Allegra Westbrook Regional Library on Beatties Ford Road and their Saturday 11AM-4PM time slot does not require an appointment.

## Update on Duke Energy Power Outages

The Governor's office recently provided some **updated information on the rolling power outages** that affected many North Carolinians over the holidays. You can read the readout of a recent meeting between Duke Energy and the Governor [here](#), and view their presentation to the Utilities Commission [here](#). You can voice your concerns directly with the Utilities Commission [here](#).

## Senate Page Program Accepting Applications

# PAGE PROGRAM APPLICATIONS ARE LIVE

The NCGA Page Program is open to NC high school sophomores, juniors and seniors to learn about and participate in the legislative process for a 1-week period during the 2023 Long Session.

**The program will be offered from Feb. 6 to June 29, 2023. Each Senator can select up to 5 pages for a one-week slot within the time frame listed.**

Interested applicants can email me at [natasha.marcus@ncleg.gov](mailto:natasha.marcus@ncleg.gov) for the application link. Learn more about the program at the link below.  
<https://ncleg.gov/Senate/PageProgram>

**Senator Natasha Marcus**

The Page Program has returned to the NCGA for the 2023 Long Session. We will welcome high school sophomores, juniors, and seniors from across the state to the NCGA. **This one-week program offers young people the opportunity to learn about and participate in the legislative process of our state.** Senate Pages are important to the operation of the General Assembly as they assist the members and staff of the Senate during the legislative session.

The program will be offered for one-week sessions through June 29, 2023. Availability of weeks is based on a first-come, first-served basis. Each Senator can select up to five Pages for the Long Session and preference is given to students who live in the district. No experience necessary. Parents of pages will be responsible for securing lodging during the time their child serves.

**Applications are open now.** If you or someone you know is interested in applying, please email me at [natasha.marcus@ncleg.gov](mailto:natasha.marcus@ncleg.gov) for the application link. You can learn more about the application process and the Page Program [here](#).

## Financial Update on the State's General Fund

<b>Beginning Cash, Friday, March 03</b>	<b>12,121,997,021.58</b>
