Good afternoon,

As promised, please see attached documents related to my announcement at the Tuesday Morning Forum earlier today. No worries about your availability at the close of the meeting. Below is what I have shared with others to get the word out about this opportunity in the NC-14 Congressional District. Please share with others in your sphere of influence and let me know if you have questions.

Greetings from the NC 14<sup>th</sup> Congressional District!

Congressman Jeff Jackson is excited to invite high school students residing in the 14<sup>th</sup> Congressional District to participate in the 2023 Congressional Art Competition. The Artistic Discovery Contest is designed to highlight artistic talent of high school students living in the district. Attached is a flyer you may share with your students, parents, and any interested constituents to encourage high school students living in the district to participate. Please use this link to confirm the proper NC district, if uncertain: <https://www.ncleg.gov/findyourlegislators>.

You also may visit our website at: <https://jeffjackson.house.gov/services/art-competition> to access information pertaining to eligibility requirements, application, and student release forms. Interested students should review the attached rules and regulations; and complete the attached release form. Feel free to contact me if you have any questions and know that it would be great to have a winner from the 14<sup>th</sup> Congressional District in our first year.

Best regards,  
Wilhelmenia
