Good morning.

So sorry we couldn't attend this morning's forum but we wanted to make sure we sent over the flyer and announcement for the 2nd Annual Community Concert Fundraiser for Project 70Forward.

May 20th, from 2pm-6pm, we will have a Community Concert at 3100 Leroy Street at our lovely Grier Heights Community Park. Local talent from gospel rappers to our own Charlotte born and raised eclectic Date Night Band will be with us along with Konnected Radio by Kevan Glover. Hear uplifting stories from our community as well as enjoy a family-oriented outdoor meal. Bring your lawn chairs and let's enjoy a great afternoon!

Donations go toward continued support of people with disabilities and our seniors who are home-bound.

Be safe,
