Annual Dr. Charles Drew Blood Drive and Health Fair

The Pi Phi Chapter of Omega Psi Phi Fraternity, Inc., the American National Red Cross, and Humana, Inc. will hold the annual Dr. Charles Drew Blood Drive and Health Fair on **Saturday, June 3rd from 10am to 4pm** at the Omegas of Charlotte Fraternity House at **3301 Statesville Avenue** in Charlotte, North Carolina. Omega Psi Phi Fraternity, Inc. via its local chapters, has consistently been one of the largest contributors of units of blood in the African American community in North and South Carolina. We need your support to continue this tradition. This blood drive honors our fraternity brother, Dr. Charles Drew, who discovered the role of plasma in scaling the blood banking process. His revolutionary discovery saved the lives of many soldiers during WW II.

The chapter will also conduct a Health Fair with informative literature and register voters. Lastly, we will provide free snacks for all participants that donate blood.

Please join us as we partner with the Red Cross and Humana, Inc. to save lives. ***Pre-registration is strongly suggested.*** Donors can pre-register at redcrossblood.org using the sponsor name “Omegas of Charlotte.”

Every drop of blood collected saves lives

For more information contact Eric Coe at 704.724.7485 or Allison Preston at 704.301.3004.
