Thank you to everyone that has already supported our June campaign to ensure all children feel safe, secure, and respected this summer. **Summer can often be a time of uncertainty for the children we serve, and our dedicated team protects their rights and holistically supports their well-being no matter the obstacles they face.**

“You can see these kids enjoy having someone whom they can trust and have confidence in who’s looking out for them. That’s how we get to know the kids.”

-Legendary Council Volunteer & Council's 2023 HOPE Award Recipient [Sis Kaplan](#)

Council works to keep summer sweet by helping children and their families find solutions to some of life’s most complicated problems. Whether it’s helping a family navigate the justice system, standing up for a child’s right to education, or mediating a tense family separation— we make sure that child receives the support and resources they need to thrive. We can provide our services to the children of Charlotte at no cost to their families because of generous supporters like you. **We are currently \$44,616 away from our \$50,000 goal— we need your help to keep summer sweet today!**
