Good morning Steve,

Hope you had a great weekend. Just wanted to share that Mecklenburg County is creating a behavioral health strategic plan and is soliciting input from the community – especially people with lived experience and their family members, and service providers. The community session will take place on Thursday, June 29, 2023, from 6:30 p.m. to 8:00 p.m. via [Zoom](#).

Participants will have the chance to learn about important behavioral health services and funding opportunities, to share their experiences, and provide recommendations on the plan's top priorities.

Residents planning to attend the meeting are asked to register in advance; however, registration is not required. To register please visit [meck.co/3N2AwAR](#). The purpose of the planned engagements is to assess the behavioral health needs of the community to enhance the impact, coordination, and alignment of Mecklenburg County's behavioral health services.

To learn more about the development process related to the Behavioral Health Strategic Plan please visit [Mecknc.gov](#).

Kind regards,
