Change a Life Today

Is it possible for one act of kindness to change a life? Can changing one life change a community? We think so. **When a child is given the opportunity to rise, we believe they can bring the entire community up with them.** With a single act of kindness—a life-changing gift—you can lift up our community by making sure all our children have a chance to thrive.

Council is funded by a small community—only a few hundred donors every year—that care deeply for the well-being of children, no matter their circumstances, race, or background. If you haven't joined us as a donor yet, please consider joining us today and help spread the word about our work with your friends and family.

Next Friday marks the end of our summer campaign and our fiscal year. **We urgently need your help to raise an additional \$33,000 to meet our \$50,000 goal and fund our work this summer.** We have been able to serve thousands of children in the last year— and we know thousands more will need our help next year. We can't do it without you. Thank you for your support.
