MeckEd.

Dear Friend of MeckEd,

Thank you for your support of our students and their futures. As you can see from the program results below, we have a great story to tell about the lives we have touched through all our mentoring and programs at MeckEd.

100% of our Seniors graduated on-time with a post-secondary plan!

As we approach our fiscal year end, we are close to bringing on a permanent CEO. To support this transition, our board wants to issue a challenge to our friends and longtime partners. They are willing to match any gift to MeckEd, up to a total of \$10,000 that is donated by June 29th! This will help us end our fiscal year in a strong position where we can welcome a new CEO shortly.

Our students who are heading off to college and careers say thank you in advance!

Warm regards,
Jennifer Roberts, on behalf of the MeckEd Board of Directors
MeckEd Board Chair
