# How to find unclaimed money from the government

Find unclaimed funds held by the government that might be owed to you. If a business, financial institution, or government owes you money that you did not collect, it is considered unclaimed.

There is no single government database for all unclaimed money. Use each separate database in the links below to search for each type of unclaimed money.

Search for unclaimed money

Database or agency

## In your state

Unclaimed money held by a state may be from bank accounts, insurance policies, or the state government.

Search for unclaimed money from your state's unclaimed property office. If you have lived in other states, check their unclaimed property offices, too.

## Employers

Unpaid Wages – Search the Department of Labor's database for back pay an employer might owe you.

Pensions from Former Employers – Contact the Pension Benefit Guaranty Corporation (PBGC) to search for an unclaimed pension.

## Unclaimed insurance money

VA Life Insurance Funds – Search the U.S. Department of Veterans Affairs (VA) database for unclaimed insurance funds.

FHA Insurance Refunds – If you had an FHA-insured mortgage, search the HUD database to see if you are eligible for a refund.

## Tax refunds

Use the IRS Where's My Refund? search tool if you have not received your tax refund.

**Search for unclaimed money****Database or agency**

---

**Investments**

SEC enforcement funds – Search the Securities and Exchange Commission (SEC) database for money from an investment enforcement case

**Bank failures**

Bank failures – Search the FDIC database for unclaimed funds from closed financial institutions.

Credit union failures – Find unclaimed deposits from closed credit unions.

**Savings bonds**

Savings bonds – Use TreasuryHunt.gov to find matured savings bonds that have stopped earning interest. You can also learn how to replace a lost or destroyed savings bond.

**Bankruptcies**

Use the U.S. Courts Unclaimed Funds Locator to search for money you may be owed after a person or business declared bankruptcy.

**Individual Indian Money (IIM) accounts**

The Department of the Interior's Bureau of Trust Funds Administration (BTFA) manages Individual Indian Money (IIM) accounts for Native American and Alaska Native beneficiaries. Check the Whereabouts Unknown Search Tool to see if you have an unclaimed account.

**G**enesis Project is moving forward into integrative services. To do so, we now have medical services at our center with a holistic approach, which means providing support that looks at the whole person, not just their mental health needs. The support should also consider their physical, emotional, social, and spiritual wellbeing. Come one come all or refer someone to get a medical evaluation.

Call 704-596-0505, TODAY!!!

Let's support the mission and the great opportunity of having a doctor supporting Genesis Project's program.
