Queen City Omegas Presents QLEIDOSCOPE  
The Ultimate Experience with a Purpose Supporting Youth Programs

The Queen City Omegas of Charlotte Foundation, a 501c3 nonprofit organization, is hosting QLEIDOSCOPE-The Ultimate Experience with a Purpose, a night of color, music, and purpose, on July 29, 2023, from 4pm-10pm at Symphony Park, Southpark Mall, 4400 Sharon Road. National neo-soul artist Kindred the Family Soul and DJ Skills will join a diverse lineup of local talent, comedians, food trucks, and retail vendors.

For eleven consecutive years, the Queen City Omegas of Charlotte Foundation and community partners have donated more than \$300 thousand in scholarship funds to assist area youth, ages 7-17, to achieve their dreams and aspirations. The annual event provides funding for the following programs: Boys Summer Camp, College Scholarships for High School Graduates, Chess Club, STEM (Science, Technology, Engineering, Math), Robotics, and the Talent Hunt. A 2022 Statista report revealed that 56% of American teens were concerned about their future. **Past Basileus / Board Member** Rayshion Sashington says that their programs serve as a catalyst for positive youth development, academic support, social and emotional development, prevention, and intervention that empowers young people to reach their full potential. "Our programs help our youth make informed choices that empower them to contribute to society."
