

POTTSTOWN

GROUP

Our Mission

- To Empower the Residents of the Pottstown Community with Viable Tools and Resources to Combat the Negative Effects of Gentrification and Displacement Through Deep Awareness, Collaboration and Community Advocacy. Our ultimate Goal is to Ensure Every Voice is Heard and Valued.

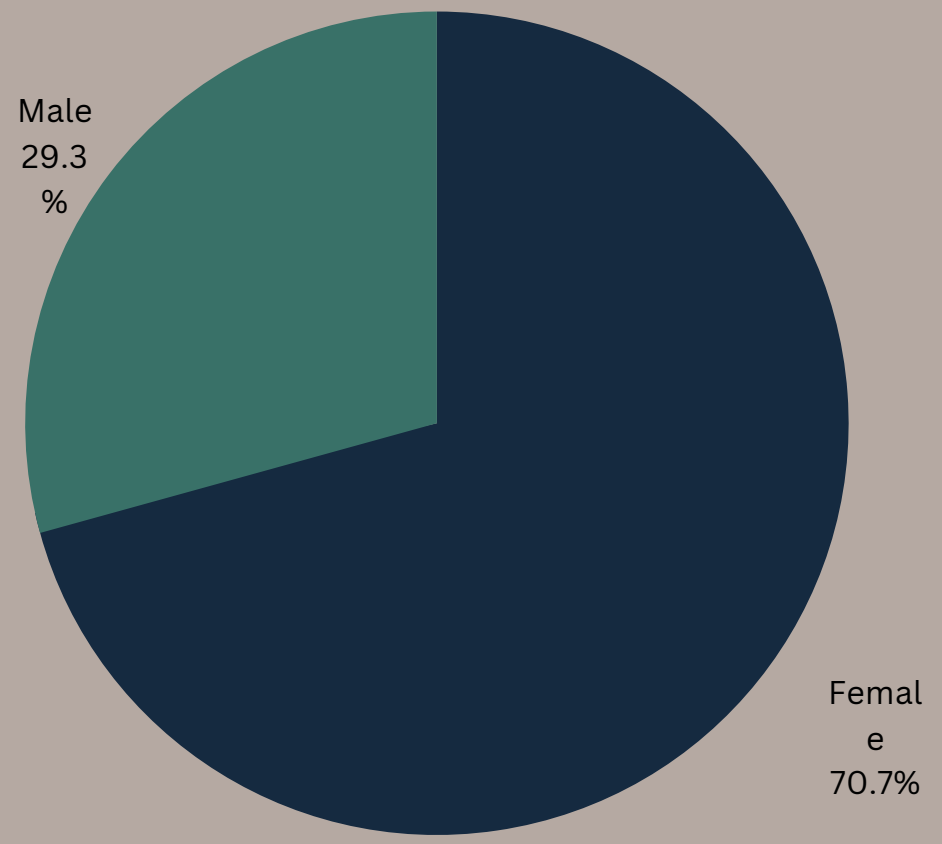

Our Vision

- To Preserve, Restore and Revitalize the Pottstown Community.

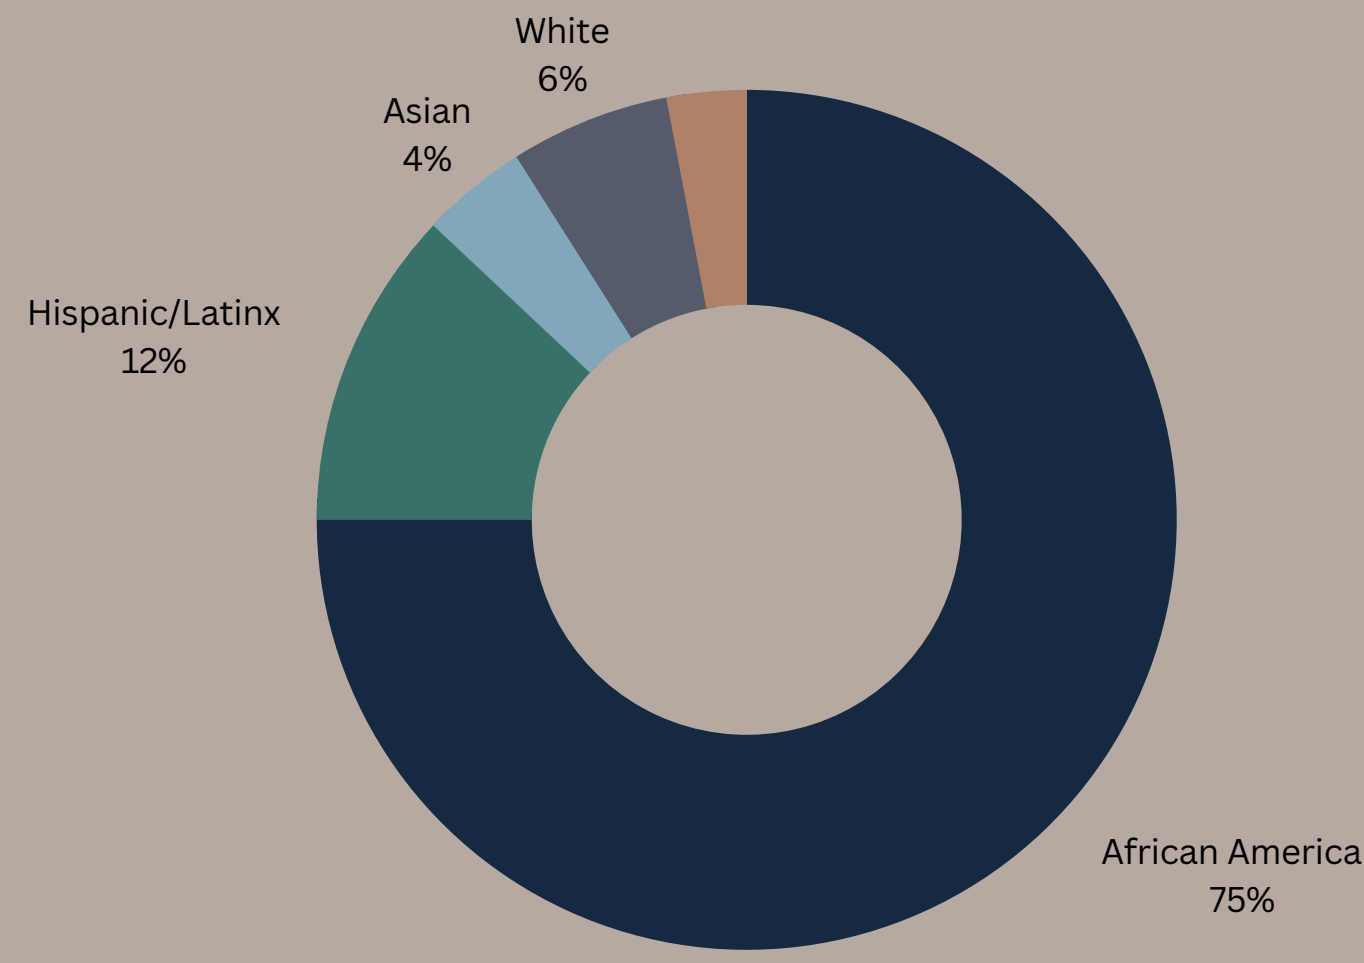

Community Demographics

Our community is largely 70% female

The population is over 75% African - American, with our Hispanic/Latinx representing the next largest group

Community Challenges

- Increased taxes due to new builds close to the community.
- Distrust with Town and County government.
- Lack of resources to assist with needs.
- Housing repairs.
- Lack of community awareness (not many know who and where we are).

Our Solutions

- Partnerships with other agencies coming in and assisting with doing the work.
- FTS has assisted with wills and deeds and once completed assist with Critical home repair
- Community engagement has increased, due to events bring the community together to engage in open honest dialogue Building trust)
- Working closely with both town and county to assert the communities needs and wants.
- Working on community branding to bring awareness.
