Dear Steve,

Please join CCT in celebrating Black Philanthropy Month by checking out and supporting our [Give 8/28 fundraising campaign](#). Give 8/28 is a movement and day dedicated to promoting Black-led and Black-benefitting nonprofits. Taking place during Black Philanthropy Month, Give 8/28, is a great way to amplify change.

At CCT, we understand that representation matters! Not only does our leadership team and board reflect the diversity of the people and families we serve, they are also proximate to incarceration.

Patrice Funderburg joined CCT in 2020 as the organization's first Black Executive Director. Thanks to her strategic leadership, focus and operational guidance, CCT now has a Board of Directors that is 50% directly impacted.

If you are interested in supporting our work, click the link to donate to CCT's [#GiveBlackCLT campaign in honor of Black Philanthropy Month](#). With your support, we can continue to provide second chances and create lasting change in our community.
