Opportunities for Small Businesses

Small businesses are the driving economic engine of our community! I enjoyed meeting with small business owners at a gathering of community business leaders earlier this month.

Mecklenburg County's **Business Diversity & Inclusion (BDI)** offers business opportunities for minorities, women, and small businesses in Mecklenburg County. For info on certifications, resources and programs click [here](#).

In addition, the **Charlotte Business INclusion (CBI)** program seeks to enhance competition and participation of Minority, Women, and Small Business Enterprises (**MWSBEs**) in city contracting.

Leveraging the commitment of city leadership, CBI's goal is to be a national model in the business inclusion space. Click [here](#) for info.
