I am also proud of NCAAT in Action's endorsement. They wrote I gained their support based on "...your commitment to issues impacting communities of color, especially Asian Americans, in our state. North Carolinians need leaders who not only exemplify principled leadership, but also tirelessly strive to cultivate a more equitable, prosperous, and safe environment. Earning an endorsement from NCAAT in Action signifies your unwavering commitment to advocating for policies and progressive causes that protect the best interests of these constituent groups in North Carolina and the United States."

I hope I have earned you vote also! Please exercise your right to vote that so many have fought and died for.
