Equality NC Action Fund Endorses Dimple Ajmera

I am pleased to receive the endorsement of the *Equality NC Action Fund*. They wrote, "...Thank you so much for your support! North Carolina has a long way to go to full lived equality for LGBTQ+ people. But with advocates like you all, it becomes more attainable."

When we work together we can create community where every person is valued and afforded opportunities for life, liberty and the pursuit of happiness!

One important step on that path is **VOTING!**

Michelle Obama, former first lady, says, "Here's the problem: while some folks are frustrated and tuned out and staying home on election day, trust me, other folks are showing up. Democracy continues with or without you." **You can Vote EARLY now through September 9 at 3 PM.** For times and locations click [here](#). I humbly ask for your vote in the primary and general elections.
