## RE-ELECT COUNCILWOMAN RENEE PERKINS JOHNSON - DISTRICT 4

Since 2019, I have served as your City Councilwoman representing District 4, the second largest business community outside of uptown. During my tenure I have successfully led our community through a historic pandemic, helped foster an increase in small businesses, improve public safety and have stood for smart development to prevent overcrowding. I have always been committed to putting the people first and with your vote, I can continue the work that I've started.

"Renee listens to the community when making decisions for her district. She has worked hard for the community and has been responsive to her constituents. She will continue to be a strong representative for them on City Council."  
- Jennifer Roberts, Former Mayor (*City of Charlotte*)

"I support Councilwoman Perkins-Johnson seeking another term because she has clearly expressed her beliefs to me that public entities cannot work in silos and one of the greatest opportunities for intergovernmental work is support for students, as well as their families, in order to impact upward economic mobility in Charlotte."  
- Stephanie Sneed, Vice Chair (*Charlotte Mecklenburg Board of Education*)

"I support Renee because after hearing the concerns of our neighborhood, we able to get street lights, which we never had, as well as get the street in my neighborhood repaved."  
- George Dunlap, Chair (*Mecklenburg Board of County Commissioners*)

"Renee Johnson puts the Community and People first. That is why I support her, as I know that she supports the People!"  
- Vilma D. Leake (*Mecklenburg Board of County Commissioners*)
