Message from Dee Dixon, **Pride Magazine Publisher**

Hello everyone. After having celebrated **30 thirty years of serving Charlotte at our Day Ball in 2023**, we are back on track to make Pride Awards 2024 a highly nuanced, community luncheon experience with flava. We want to take this time during Black History month to highlight the **Queen City's** care and commitment to undeserved communities and the challenges they face. Our plans are to make this a special occasion that will illuminate efforts made to make **Charlotte a better place for all its residents**. An outstanding citizen will receive our prestigious **Pride Award** and a monetary donation given to a worthy nonprofit. We have a few surprises up our sleeve, as well. Please join us for this momentous occasion.
