Thankful

As the holiday season approaches and we reflect on the year, Read Charlotte is more grateful than ever for your support and partnership.

It's been a busy year, as we've implemented an updated strategy built upon new insights, and seen exciting new developments with initiatives like A2i, Queen City Readers, and Read Together, as well as in the summer learning and birth to five spaces. The return of our Commit To 80 event was another highlight for us, as it gave us the opportunity to gather with so many of you, and recognize the work being done every day in our community to improve early literacy.

We've never been more encouraged by the momentum and partnership we see across Mecklenburg County. We look forward to continuing our work in 2024, with you!
