Good evening, Media Family.

Please see the attached press release for a World AIDS Day event hosted by The C.W. Williams Community Health Center, Inc. in partnership with RAIN, PowerHouse, Gilead Sciences, By His Stripes Wellness Center, RAO, Quality Comprehensive Health Center, and Charlotte Community Health Clinic.

The purpose of the event was to spread awareness of issues affecting people living with HIV (PLWH), to celebrate gains made in the fight against HIV and the stigma still experienced by PLWH, and to commemorate lives lost to AIDS.

Please let me know if you have any questions.

We appreciate your support.

Kind regards,  
Kelly
