**Subject:** 2024 AmeriCorps Seniors Funding Opportunities to Empower Communities

Greetings,

AmeriCorps Seniors invites you to encourage your communities and constituents to submit applications for the FY 2024 [Senior Companion Program](#) and [Foster Grandparent Program](#) funding opportunities.

These AmeriCorps Seniors funding opportunities will engage older Americans in service and help communities address critical community needs. The Foster Grandparent program grants focus on tutoring and mentoring children and youth and Senior Companion program grants focus on providing independent living and respite support to older adults and those with a disability.

While funding is open to communities across the country, AmeriCorps Seniors is prioritizing states - including yours – where programs have closed or stopped operating in recent years. Applications for both programs are due by **5:00 p.m. Eastern Time on Thursday, February 1, 2024**, and grants will be awarded by June 2024.

For full details about AmeriCorps Seniors program funding and available training sessions, please review the 2024 [Foster Grandparent Program](#) and [Senior Companion Program](#) notice of funding opportunities.

We hope that you will agree to share information about our grants throughout your network – especially in your newsletters and/or on social media. Attached you'll find sample content you can use to spread the word.

If you have any questions about these funding opportunities or any national service activities in your community, please contact AmeriCorps' Office of Government Relations at [governmentrelations@americorps.gov](mailto:governmentrelations@americorps.gov).

In service,  
AmeriCorps Office of Government Relations
