**WORTH WATCHING - LBJ's Unconditional War on Poverty Speech
January 8, 1964**

As we begin to celebrate our 60th year, we look back to the birth of Community Action:

The following six minutes represent one of the most important speeches in the history of the United States. Here, President Lyndon Johnson declared the War on Poverty and within 45 days, a blueprint for the War would be drafted and the Community Action roles would be determined.

LBJ's speech on January 8, 1964, was the culmination of 2 years of steadily growing awareness and societal demands since the publication of Michael Harrington's book *The Other America*. For the first time in American history, the question was not "could we afford it" but rather "should we do it." The answer was a resounding yes. (credit: NCAF)

Agency Spotlight: Macon County Program for Progress

This elf showed up for Spirit Week at Macon Program for Progress

In 2023, the NCCAA launched the Diaper Distribution Demonstration and Research Pilot (DDDRP) through grant funding from the Office of Community Services (OCS). This initiative has been branded for NC as The D.I.A.P.E.R. Project (Demonstrating Innovative Approaches to Promote Economic Resiliency). In partnership with the Diaper Bank of NC, five of our local community action agencies work to provide needed diapers and diapering supplies to qualified families. Participating families are waitlisted from Head Start/Early Head Start and receive 100 diapers/month, as well as wipes and ointment. Wraparound supportive services are offered to families, as well as referrals to promote economic self-sufficiency. NCCAA is excited to continue to offer this incredible program to not only ensure children have access to clean diapers, but also families are provided support as they work to improve their economic mobility.
