Greetings,

The Charlotte Alumnae Chapter begins 2024 the same way we closed 2023 – presenting engaging events, programs and opportunities open to the public:

- **Charitable Contributions grants** – funding will be awarded to local nonprofit organizations that align with one of our five-point programmatic thrusts. For more details/application visit: <https://www.charlottedst.org> or scan QR code (flyer attached).
- **Scholarship Applications** – DSTCLT is proud of our annual tradition of awarding college scholarships to deserving local scholars; including a non-traditional scholarship for students aged 25 and older. Male, college-bound students are encouraged to apply! For more details/application visit: <https://bit.ly/DSTCLT-SCHOLARSHIPS24> or scan QR code (flyer attached).
- **Divine 9 Greek Olympics Nutrition Webinar** – the public is invited to join members of the Divine 9 Greek community for an hour of power towards a healthier you! Register by visiting: <https://bit.ly/D9NUTRITION> (flyer attached).
- **Vision Board Workshop** – Make 2024 a year of transformation at our annual party-with-a-purpose event open to the public. For more details/registration visit: <https://bit.ly/DSTCACVisionBoard> or scan QR code (flyer attached)

Thank you!
