Celebrate MeckEd's Impact on Career and College Readiness in 2023!

From top left to right: 1) Atrium Health remains our largest internship provider since 2017. 2) Career Pathways participants absorbed the peace and beauty found in the NC mountains on their annual leadership camping trip. 3) Over 150 work-based learning trips were organized with regional partners to expose MeckEd's Career Pathways participants to numerous career opportunities. 4) Safe Charlotte after-school participants at Martin Luther King Jr. Middle School completed two 14-week sessions centered on violence prevention, 21st-century skills development, and mentorship.
