Hello again!

Please see information below regarding another potential grant opportunity for community stakeholders. Thank you for sharing this broadly within your networks.

Kind regards,

Wilhelmenia

Subject: Lowe's Invites Communities to Nominate Projects for Lowe's Hometowns Grant Program

Dear Larken,

As a part of its goal to make communities better for all, Lowe's is accepting project nominations for the third year of Lowe's Hometowns, its five-year, \$100-million impact program to revitalize community spaces.

Since 2022, the Lowe's Hometowns signature grant program has renovated 149 community centers, affordable housing facilities, shelters and food pantries; refurbished 15 first responder, veteran and military family facilities; and built and improved 54 community gardens, parks and playgrounds – among many other impactful projects. More than 2.5 million people are anticipated to benefit from the first two years of Lowe's Hometowns projects within one year of project completion.

Any type of project that involves the physical improvement or renovation of a community space is eligible. All grants must go to a local nonprofit that is willing and able to take on the project. You can see past projects [here](#), but these have included:

- Community Resources/Space (e.g. park, senior citizen center, youth center, etc.)
- Safe Affordable Housing (e.g. critical repairs for shelters, block of homes, accessible home needs, etc.)
- Cultural Preservation (e.g. theatre or memorial renovation, etc.)
- Area Revitalization (e.g. a new playground at a community park, community garden, renovations to downtown areas, etc.)
- Skilled Trades Education initiatives (e.g. mobile training programs, high school vocational, etc.)

Now through Feb. 19, we encourage you to visit [Lowes.com/Hometowns](https://www.Lowes.com/Hometowns) to nominate a project and share this opportunity with the constituents and communities that you serve. Below is copy if you'd like to share this opportunity on your social channels.

As part of its goal to make communities better for all, @Lowe's is accepting nominations for the third year of its #Lowe'sHometowns program. Nominate a community project in your hometown through February 19 at www.Lowes.com/Hometowns.

Thanks, and let us know if you have any questions or need additional information!
