### Get Job Ready for a Career in Construction, Facility Maintenance and Management, or Advanced Manufacturing

Mecklenburg County is helping residents climb the career ladder in the construction, maintenance and facility management, and advanced manufacturing industries. Job seekers can join one of two [FREE Job Readiness Workshops, on Feb. 6 and Feb. 7](#), to learn more about these industries and applying for local jobs. Attendees will learn about:

- Resume building.
- Soft skills, including skills in interviewing, communication, teamwork, problem solving, time management and work ethic.
- Guidance for justice-involved individuals.
- Wraparound services in the Mecklenburg County area that can help job seekers find employment.

Registration is required. Spanish-speaking coordinators will be available to assist workshop attendees as needed. Parking will be available, and refreshments will be provided.
