Subject: Quality of Life Grant Application Now Open!
Importance: High

Greetings,

The 2024 **Quality of Life Grant Application** is now open!

Seeking to put God’s love into action, Habitat For Humanity of the Charlotte Region brings people together to build homes, **communities**, and hope!

To help build the capacity of our communities, Habitat partners with neighborhoods, organizations, and agencies by offering the Quality-of-Life (QOL) Grant to help improve the communities we serve.

The QOL grant can be used to support organizational/ programmatic needs or neighborhood projects and/or needs.

Applicants who live within Mecklenburg and Iredell County and service Habitat For Humanity families are encouraged to apply. The deadline for the grant is March 20, 2024. Grants are expected to be \$500-\$10,000. Applicants will receive notification of the grant decision by April 19, 2024.

If awarded the grant, the grantee agrees to attend the 2024 Affordable Housing Awareness Month Breakfast on May 23, 2024, to receive the grant.
