Hi there,

March Madness is tipping off this week, which means it's time for one of our favorite traditions...sharing President Obama's brackets!

[Take a look at President Obama's selections for the men and womens' tournaments and see how your picks stack up:](#)

We've also started a new March Madness tradition the last couple of years: Sending youth from My Brother's Keeper Chicago to the Final Four! This once-in-a-lifetime opportunity gives the young men a taste of what goes into making the tournament happen—from setup to production to promotion.

We look forward to sharing more about their experience with you over the next few weeks!
