Subject: 2024 CONGRESSIONAL ART COMPETITION (NC-14)

Happy Monday!

As a follow-up to my email on January 22, 2024, we remain excited to invite high school students residing in the 14th Congressional District to participate in the 2024 Congressional Art Competition. The Artistic Discovery Contest is designed to highlight artistic talent of high school students living in the district. Please see and share the attached flyer with students, parents, and any interested constituents to encourage high school students living in the district to respond. Applications are now being accepted. The deadline for submissions is April 24, 2024. Congressman Jackson will host a Virtual Showcase of the NC-14 winning entries on May 14, 2024. The first-place winner will receive a round trip ticket, with one companion ticket, to Washington, DC for the Congressional Winners' Celebration on June 27, 2024.

Since this is a nationwide competition, high school students living anywhere across the country may apply but should confirm that their residence falls within the NC 14th Congressional District for an application to this office. If uncertain, please use this link to confirm the proper NC district: <https://www.ncleg.gov/findyourlegislators>.

You may visit our website at: <https://jeffjackson.house.gov/services/art-competition> to access information pertaining to eligibility requirements, application, and student release forms. Students also may review the attached rules and regulations and complete the release form. Do let me know if you have any questions.

Kind regards,
Wilhelmenia
