Good morning, Community Partners,

I am reaching out to share an exciting opportunity for local nonprofits working with youth in the corridors of Opportunity. Sponsored by [Albemarle](#), a grant of \$10,000 is now available to aid an organization's programming and initiatives focused on the upward mobility of youth. This grant opportunity is a part of the upcoming [Meck Mile](#), a Charlotte Sports Foundation event, which will take place on May 25. The Meck Mile aims to bring people from across Charlotte together to run, walk, skip or dance through the streets surrounding Memorial Stadium.

Nonprofit organizations within the corridors that support the overall well-being of youth are encouraged to apply. Each organization's mission should align with Albemarle's giving philosophy, which includes the following:

- Providing education
- Sustainable solutions to critical resources
- Improving the quality of life
- Creating equitable access to pathways for upward mobility

Applications will close on April 30. One nonprofit organization will be awarded the grant of \$10,000 and the winner will be recognized during the Meck Mile event in May. Please apply through the form linked below.
