MORE THAN A THRIFT STORE

GOOD FOR OUR COMMUNITY

Your donations and purchases do big things for our community! The money we make from selling donated items in our stores is what pays for the [job training programs](#), [job search support](#) and [family stability services](#) that we offer completely free of charge to [thousands of people](#) in our community each year, including our very own [team members](#).

GOOD FOR OUR PLANET

Goodwill works to solve the planet's e-waste problem, the fastest growing waste problem in the world. We [recycle](#) and refurbish more than 1 million pounds of electronics each year. Electronics that are donated in working condition and items we're able to refurbish are sold at our tech store, [The GRID](#). Items that we can't resell are recycled responsibly.
